

2019-2020 Financial Agreement

The full amount of yearly tuition is divided into ten monthly payments for the convenience of our families. These ten incremented payments are due on the first of each month (no later than the 5th), September through June. Each of the ten payments cover 1/10th of the number of scheduled school days in the year. The monthly billing does not necessarily cover all/only the school days of that calendar month. A late fee of \$25 is charged on the 10th of the month. In the event that a bill is delinquent for two months, the account may be turned over to a collection agency. Curriculum fees are used directly towards the cost of curriculum, though they do not cover the true cost of curriculum in its entirety. Supply/Curriculum fees are not prorated nor refunded if a student enrolls late or withdraws early, as an entire set of workbooks must be ordered per student. If a student must withdraw early, written notice including the child's last enrollment date should be given at least two weeks before the withdrawal date. Billing will be prorated two weeks from written notice. Tuition is not refunded due to child illness or school closures due to weather/road safety.
